Subject: ERRS TASKING!!!!!!

Got a call from Latrice this morning your verbal activation of ERRS. She needs your input to definitize the tasking. I can help with this if you can answer/verify the following questions:

When: Monday, August 28
Where: Corpus Christi, Texas
Who: Response Manager? Foreman? Field Cost Accountant? Crew?
How: Many of each?
What: Equipment????
How: Many of each

Why:
Statement of Work
Provide ERRS Support to

Emergency removal actions require an immediate response to releases
Conduct an initial on-scene survey to gain sufficient familiarity with the site conditions. Attend additional scoping/planning meetings as needed. Provide daily cost accounting including burn rate. Perform reconnaissance and recovery of materials distributed over wide areas

HELP ME HELP YOU!!!
